In the City's first year under Charter Article XV: "Strong Mayor Form of Governance," there are a number of areas where clarification of the City Charter will help achieve the original intent of this reform.

Mayor Jerry Sanders has established and empaneled a City Charter Review Committee, comprised of community members nominated by City Council and Mayoral appointments, which is charged to review the City Charter and return its recommendations in readiness for the 2008 election cycle.

Your participation in this forum will provide valuable input to the City Charter Review Committee and will help shape the committee's review of the City Charter.

For more information, please contact Beryl Rayford or Stephen Lew of the Mayor's Office at (619) 236-6330.
